Summary

As an engineering student at Rajasthan Technical University, Kota, I am pursuing a Bachelor of Technology degree in Computer Science, with a passion for learning new technologies and solving complex problems. I have developed strong teamwork, team building, and team leadership skills through various academic projects and extracurricular activities, where I have collaborated with peers, mentors, and faculty members to deliver innovative solutions and outcomes. I am eager to apply my knowledge and skills to real-world challenges and opportunities, and to contribute to the field of computer science and the society at large.
